Skriptie

Creative paper ideas brought to life.

We craft finest paper products aimed at modern urban people who appreciate beautiful design, enjoy rich details and seek for unique experience in everything around them.

Ideas are all around us. But before we create, we dream. We find our beauty and inspiration in our dreams, in every single story and in every corner of the world.

Our products are made to last. We use the finest, environmentally safe materials and different methods in the production process.

Classic Literature Series

**To write means more than putting pretty words on a page.
The act of writing is to share a part of your soul with the world.**

The "Classic Literature" is an exclusive series of lavishly designed notebooks which pays a reverent homage to some of the most important and ubiquitous writers from history. By using vintage imageries and design techniques it intends to convey a very unique feel and give towering literary figures freshness and a new breath of life in a century that has remembered their names but all but forgotten the essence of their gargantuan endeavors.

Skriptie

- size: 120x168mm
- Hard cover
- 70gr writing paper

The "Classic Literature" series celebrates visions and metaphors that have both haunted and elevated humanity, images of uplifting splendor or hallucinatory nightmares that are by now firmly rooted in our collective unconscious.

Skriptie

Each of the notebooks is accompanied by a carefully selected and universally appreciated quote from the author it honors, enriching the images with extra depth and relevance.

PATTERNS OF THE WORLD

Carry the world around, travel with your mind.

'Patterns of the world' series is an edition to a cool gifts program intended to add value to every innovative and modern bookstore. Each product of the series is created with the idea in mind that there is a unique gift for every special person in our lives. And these products are perfect items for all travellers, dreamers, storytellers, explorers, artists and all those who appreciate beautiful and creative design.

The 'Patterns of the world' series includes various sizes and variations of notebooks, paper bags and posters, inspired from the traditions of different parts of the world and different civilizations. The beauties of the world are experienced through the uniquely creative designs, whereas each of the items is dedicated to a significant piece of art of a selected culture.
